Mr

When we were very young we wondered—

And now that we are older, we still wonder

We also wonder, as there are many paths to follow.

Paths that may take us to a promised land or to a sort of hell.

In either case, we choose the path that we follow. Therefore we must be wary. We should look closely at what we become involved with and at ourselves.

We live only a moment at a time, yet we experience much with our friends and we change. We can't remember all that we have done, but let's reflect for a moment:

Did everyone have an opportunity to get to know Gap Mangione and his associates? They are the kind of people that you always wish there were more of, yet seldom find. They are honest, with themselves and with others. They are sensitive, expressing their thoughts in music rather than words. It was fascinating to watch each individual musician become so totally involved and wrapped up in his own world, and to see these individual creations blend so beautifully and harmoniously.

In many ways, the class of '71 resembles a musical group. We are individuals with our own worlds, yet as a class, we have blended and worked together. Think about the senior ball . . . homecoming . . . winter carnival . . . graduation . . . Think about the people you have associated with—how they have given you new perspectives or viewpoints—how you have laughed or cried at times. Think of how events and people, together, have caused us to change—to learn.

Some of us have learned and will continue to learn more about ourselves and our relationship to those around us. Some of us are just beginning to learn. Perhaps someday we all will better understand why people act as they do.

Take a look around and see what there is to see. Look ahead and keep an open mind. Let it wander sometimes to these pages and let it

REFLECT.

Peace

"Dora" - Boy, I am so grateful to you for introducing me to Doug. You're a great friend, and if I ever had any doubts, which I didn't, they're all gone now! This summer if you hear from Kathy, call me, and I'll be the same, and that way we'll be able to keep track of her! Be happy, "Queen," and enjoy life - one more "high school year" to go - big Seniors! Smile -

Dana,
Well I'll be seeing you this summer, & maybe in physics next year. Come down & see me at Roseland this summer. Or at Katie's house.
It was fun in Chem this year.
Good luck
CAROL (Honey)

Good morning. Will you please rise for a salute.

Today we salute a man of many talents.

A member of CA's faculty for five years, he obtained his Bachelor of Science degree at the State University of New York at Oneonta. It was there that he met his wife and together they display a unique brand of generosity. They have sponsored Fresh Air children and on one occasion took thirty teenage refugees from a crippled school bus into their home: giving them breakfast and generous portions of hospitality.

A father and a home owner, he enjoys creating handmade toys for his three daughters and takes on many do-it-yourself projects around the house.

A lover of the out-of-doors, he coaches ice hockey in the winter, and in the summer he works for the United States Department of Agriculture.

A cheerful and understanding individual, he is CA's volunteer counselor. His room is a popular gathering place, perpetually peopled by advice-seekers and classroom-comedy enthusiasts. He listens and is concerned about what young people have to say and offer.

He has been teacher, friend, advisor, and leader; always ready with a warm smile and a sincere greeting.

The thought for today is:

There are many fish in the sea,
But few swim on to be;
a coach;
a "Chief";
a dedicatee.

Will you please report to the podium:

Till no more color tints the spray,
And life's last branch goes bloomless;
So long shall I remember that sweet year,
And sweeter meeting that divine soft day.

drifting together;

burning brightly;

laughing together;

marking the final seconds;

leaving home;

hoping for;

reflecting;

singing in Switzerland;

appreciating beauty;

waiting in France;

You cannot make
remembrance grow
When it has lost its root.
The tightening
the soil around
And setting it upright.

Deceives perhaps the universe
But not retrieves the plant;
Real memory,
like cedar feet,
Is shod with adamant.

Nor can you cut
remembrance down
When it shall once have grown,
Its iron roots will sprout anew
however overthrown.

Emily Dickinson

Take a look in the mirror at four years passed. These have been years of friendship, activities and opportunities to grow in knowledge. The image you see has been molded by you, your parents and teachers.

I have felt a special relationship to the Class of '71 for we started at C.A. together.

This part of your life is now over. As you gaze past your reflection, the future extends farther than you can see. It is time to begin again.

The English department at CA has developed a program to give students a solid background in the one subject that they need, no matter what career they choose.

The freshman and sophomore courses are taught by "specialists" in certain areas of study, including writing, journalism, and drama, thus giving students the background for more advanced studies in their junior year of American lit, a portion of which includes seminar study.

Seniors choose from a group of electives for either their career or personal tastes.

These forward programs give students a chance to work with nearly all of the teachers that make up the department and develop their individuality through the use of our English language.

Individual learning, through independent study and increased interaction of students with students, is the primary goal of the Social Studies Department. Emphasis is placed on relating the lessons of history to today's world rather than on the memorization of factual data. Heterogeneous rather than homogeneous grouping is helping to achieve a better understanding of society as it exists today. Simulation has been introduced and will be used increasingly to help students try to understand conditions and situations not very much in evidence in Canandaigua.

Understanding through observation and experimentation is the goal of our Science Department, in teaching the great variety of courses available. From the general science course for freshmen to the senior physics course, life and its forces are examined. Two additional courses, an experimental earth science course offering daily lab exercises, and a very popular ecology course offering a study of the environment, have been added to the roster of science electives.

Math Department Makes an Addition

The Math Department, always striving to multiply its relevance and appeal, has added a new course in Probability and Statistics for students who are college bound, but not necessarily possessive of high mathematical ability. The department has also acquired a new member, Mr. Schmidt, making a total of eight teachers. The Senior math courses have been divided into more specific categories, providing a wider range of electives for the students. The teachers, subtracting apathy, have replaced it with a genuine interest to meet the need of non-regents students as well as students seeking higher education. The product is a good math background for every student.

C.A.'s melting pot, the language department, offers to the students an international taste of the elegance of the French, the spice of the Spanish, and the refinement of the Germans. Daily instruction is offered by the six-member staff for up to four years in German and Spanish, and five years in French.

Efforts to visualize these languages are accomplished through the language clubs, "Cercle Francais," "Der Deutsche Verein" and Los Borrachos." These organizations offer not only entertainment, but examples of foreign culture.

Expression through creative construction is the motto of our Art Department. The transformation of a lump of brown clay into a beautiful jug, or a dull, white canvas into a dazzling array of color are only two examples of the miracles wrought through art.

Mr. James Moonan

Mr. William Hill, Mr. Johnson, Mr. Karley guide their students and aid them in developing their talents. A variety of courses offered to the art-orientated include studio art, drawing, painting, graphic arts, sculpture, jewelry, and ceramics. Field trips, visits from artists, and displays in the annual Spring Arts Festival and Scholastic Art Awards highlight the year.

CA Welcomes Two New Music Men

Mr. Kenneth Myers

Mr. Mark Bradley

A wise and respected philosopher once said, "The times, they are a changin'." Canandaigua Academy's music department answered, "Truer word was never spoken!"

Keeping time with the changes in popular music while presenting a classical background, the department welcomes two new music men, Mr. Ken Meyers in the vocal section, and Mr. Jack Lamb in the instrumental section.

Under their able direction, the traditional music organizations, the Varsity, J.V., and Concert choruses, and the Wind Ensemble, Concert, and Marching bands perform in a variety of programs. The school ensembles, the Folk Group, Madrigals, and Dance Band also plan for concerts. Also, under the leadership of Mr. Mark Bradley, the orchestra combines a fine string ensemble with select members of the band.

Mr. James Chapman

Quiet: Library Zone

The quiet bustle of students exploring the vast collection of books, magazines, and audio-visual aides is noticeable upon entering C.A.'s storeroom of knowledge, the library. Department members, Mr. Chapman, Mrs. Rundle, and Mrs. Sheridan, along with the library club members offer assistance to students and teachers alike, in utilizing the library facilities.

Business Dept. Specializes in Practicality

The eastern wing of our school, home of the Business Department, is one of the most modern and well-equipped areas in CA. A variety of courses are offered to students desiring business skills for either personal or vocational use. Instruction in typing, shorthand, Distributive Ed., bookkeeping, or office practice is available from the seven member business staff. Through its versatile program, the needs of the students are met.

New School Opens for Vocational Dept.

Opportunities to learn trades valuable after graduation are available to juniors and seniors in Canandaigua's vocational program. At the new occupational school in Flint, courses in practical nursing, carpentry, cosmetology, and auto mechanics are taught. The program, operated by BOCES, requires students to attend half-day sessions, taking English, social studies, and phys. ed. at their home schools.

Two other programs, the VICP and the Vocational Business Program, offer students on-the-job training while they take business courses at CA.

Home Ec Challenges Women's Lib

In this modern world of Women's Lib, a large number of young girls look forward not to the cold competition of man's world but to the satisfying occupation of being a woman and a housewife. In home economics, a student will be introduced to such topics as child development, the teenager, home and family management, nutrition, and meal planning. On a more personal level, the department also teaches the art of clothing construction.

New in the Home Ec schedule is a course in money management, specifically designed for the bride-to-be, in which topics such as planning a wedding, budgeting, and purchasing household goods are discussed.

Morally straight, mentally awake, and physically fit is the standard for CA students as set by our four faculty members of the Phys. Ed. Department, Miss Holden, Mrs. LaBarge, Mr. Canough, and Mr. Frantel. Students, meeting for gym two to three times a week, are involved in both competitive and individual activities including soccer, basketball, tumbling, track, and a modern dance program for girls. Freshmen and sophomores receive dance instruction once a week throughout the winter semester. An intramural program is also available during ninth periods for interested students.

brimming with eagerness;

On December 28 the Canandaigua Academy Gym was transformed into 19th-century Moscow for the Senior Ball, when the class of '71 presented "Midnight in Moscow." Dancing to the music of the Mark VI, the couples were surrounded by a miniature Kremlin, a massive Christmas tree, and Russian skaters. Festivities continued at the American Legion with the Breakfast which featured U.S. Steel. "Midnight in Moscow" was an evening of music and holiday spirit all will remember.

The 1970 Soccer Braves had their finest season since soccer first began here at the Academy. The Braves had a 4-6 record and finished fourth in league competition. They lost their first sectional game to a very fine Brockport team. Outstanding seniors on the team were Rick Tripodi, John Gilbert, Bob Stevenson, Bill Sawyer, Dave Sheavly, and Bob Gustin. The Braves can also look to the future as over half of the starting lineup were underclassmen.

Time out for a drink.

Over the Hills and Through the Fields

The Cross Country team under Mr. Bowen suffered through a losing year. The team was hurt mainly because of lack of experience. They will be losing a tremendous runner in George Walker who was the nucleus of this year's team. Besides Walker, Mitch Moore also gave the Braves a lot of strength. We hope that the Braves will be able to get back on the winning track next year.

The JV soccer Braves had a half and half season this year, winning three out of their six games. The young Braves showed a lot of promise for the next few years. They were an exciting team to watch. We all hope that they will help to build a winning tradition here at CA.

October Activities Week was undoubtedly the highlight of this year's football season. The spirit of the students swelled more and more each day as the student council members sold buttons and pompoms. The Seniors ran away with the quiz show, class queens were elected and the cheerleaders auctioned off our fall sports' men. The weekend ended the fete on a successful note, in a whirlwind parade to the victorious game over Brockport. The classes displayed their floats while our Marching Braves provided the beat. The Junior class won the trophy for the best float and the Senior class received the most original award. To wrap up the week a dance featuring the Nutmeg was held.

The CA Varsity Braves were plagued with injuries this year and turned in a disappointing 2-5-1 record. This was the team's last year in the CWC conference as it will move to the Finger Lakes league next year. CA did manage to win its homecoming game this year with a convincing 32-14 win over Brockport.

Some of the senior standouts of this year's team were Bob Kingston, Mike Reed, John Housel, Phil Harris, Mark Dewey, and Bob Fuller. This year's team was young and the students at CA will have plenty to cheer about next year.

Faster, Faster!

The J.V. Football team finished a tough season with a 3-5 record. Under first-year coach Mr. Canough the Braves showed excellent potential for the next two years. This team was hurt with the loss of several players, all of whom were moved up to the Varsity. These players should provide some tough opposition for our foes in the coming years.

CA lets loose in pursuit.

A Brave being brought down.

Coach Nelson's freshman football Braves compiled a fine 5-1 record this season. This should give Coach Moore some excellent ball players for the next three years. Some of the outstanding players were quarterback Jeff Anthony, and running backs Jim Brooker and Tom Chiappone.

The 1970-71 wrestling Braves had a successful season, winning nine and losing three. Our Braves finished in second place in the Wayne-Finger Lakes League. They took second in the Spencerport tournament.

Gerry Case set an all-time career record, winning 60 matches over a four-year period.

The Braves are a very young team with several freshmen and sophomores wrestling varsity. They should provide a strong nucleus for next year's squad.

Fellow wrestlers wish Jeff Miller good luck.

The winner is Frank Mandrino!

The JV Wrestling team finished a very successful season winning 11 of 14 matches. This was Coach Austin's second year with the JV's. With these fine wrestlers advancing to Varsity, the team's future is secure.

The Varsity Basketball Braves had a disappointing season this year. Only four of the sixteen games played were won. They had one double overtime game with Newark in which the Braves lost by three points. Sophomores Steve Curtin and John Reddick were a great asset to the team. Other stand-outs were John Gilbert, Marty Muehe, Tom Fagg, Joe Chiappone and Bruce Alexander. With the ability the juniors and sophomores show, the Braves can look forward to a better season next year.

This year's freshman basketball team, under the direction of coach James Moonan had an exciting season. 7 of 11 games were won. Tom Chiappone, Don McWilliams, Joe Valvano, and Dave Kuusela were outstanding members of the team. With these fine ballplayers, basketball fans can look forward to a better season next year.

Senior-Faculty Game

Faculty Shows Seniority

The senior faculty game was a hard fought game this year with the faculty getting the victory 47-42. It was a see-saw battle all the way until the last couple of minutes when the faculty pulled away even, without Hollywood Andrews and Pork Chop Pierce.

Some of the stars for the faculty were Dr. Felton Gray (Mr. Gray), Chief (Mr. Maxson), Sugarbear (Mr. Austin) and Buckets (Mr. Bridgeman).

Playing for the seniors were Pistol Pete Pizzillo, Shoot-em Sheavly, Kami-Kazi Harris, Earl-the-Pearl Dillon, Lew-Al Kingston, Ken-the-Gem Curtin, Cactus Rat Catalfamo, the Big-O Macri, Fast-back Wheeler, Jumpin' John Housel, Polaski Kubiak, and Otto Graham.

All in all it was a lot of fun with the cheerleaders providing a lot of laughs and the players put on a fine exhibition of basketball?

Soccer Squaws Meet Their Goal

The girl's soccer team did an outstanding job this year under the direction of Mrs. Betty Labarge. Their overall record was a fine 6-1-1 which tied them with Naples for second place.

Starring for the Soccerettes was Stephanie Davis as the leading scorer, along with Linda Case, Debbie Martin, Sue Connors, and Candi Smith.

Debbie Martin boots the ball.

Action on the Court

The girls' basketball team coached by Miss Holden, finished their season with a 1-8 record. Their only win was over the Marcus Witman Wildcats.

Inexperience was the key factor to the team's losses, but the girls are looking forward to a winning season next year.

Linda Case was an outstanding member of the team. Candi Smith, Hiedi Hitchcock, Linda Gross, Kim Graham, and Linda Cooley also had a good season.

First row: L. Gross, L. Cooley, S. Davis, L. Case. Second row: C. Sherry, T. Walker, B. Pankratz, C. Smith, M. McMillian. Third row: A. VanTroost, M. Withington, M. Peck, K. Graham, H. Hitchcock, J. Bugbee, T. Blair.

Braves Swing and Miss to Off Year

The CA baseball Braves turned in a disappointing 1970 record, finishing the season 3-9-1. Tom Northrup, Mike Sheridan, and Steve Catalfamo were all .300 hitters. The loss of seven seniors will hurt the team very much. However, the eight returning lettermen will form a good nucleus next year.

This was Mr. Newkirk's final season as baseball coach. He has coached for 25 years, 20 of which have been at CA.

Tennis Swings High

The 1970 tennis team ended the season with 7 wins, 6 losses. Coach Steve Bull described the team as very cooperative and enthusiastic, and he enjoyed working with them immensely. Outstanding players on the team were Patty Beyea, Kevin Bradley, Ed Olson, and Don Jones. We hope that Mr. Bull will keep his energetic outlook and lead the Braves to more wins.

Determination

Headed by first-year coach, Bruce Bridgman, the CA track team went undefeated and captured the Finger Lakes championship. Winners that contributed greatly were: Dave Purdy, Scott Graham, Jeff Bowen, Tom Rother, Lew Gilbert, Jim Lytle, Dick Valvano, and distance men Doug Rouse, Bob Connelly, and George Walker.

With thirteen men lost through graduation, and only Walker returning from those mentioned, Coach Bridgman is looking forward to next season. He has great intentions of building another winning team. If the Braves can keep the same enthusiasm that they showed this year, Coach Bridgman has nothing to worry about.

The Bowling Braves started their season slowly this year, with only two returning lettermen, Rob Sloan and Chris Pritchard. As the season progressed so did the team and they are hoping to better their last year's showing at sectionals. Even though Rob Sloan and Dave Reasin will graduate, with the experience of those remaining, CA can look forward to another winning season.

Enough for Varsity!

"Your pep, your spirit, you've got it, let's hear it!" And students at CA heard it from each of the eight Varsity Cheerleaders. Poise, ability, and leadership are characteristics possessed by the girls. Throughout the year, the cheerleaders were involved in various projects. Pep rallies, ticket sales, and hard practice were a few of the undertakings of the squad.

Along with the football and basketball games, the group was involved in competitions including the CYO contest. Under the leadership of Captain Nancy Johnson, the Varsity Cheerleaders continued their successful drive to boost school spirit.

Academian Reflects Student Activities

"And in the future it will be pleasant to remember these things . . ." The Academician gives each student the opportunity to recall the significant events that made 1970-71 a year worthy of reflection. Advised by Mr. Paul Littrell, the editors and staffs compiled a pictorial history of a memorable year at CA. Combining new and old ideas, the Academician took a unique approach in capturing the spirit of the students.

Successfully combining tradition and innovation, the Student Council, under the leadership of Cliff Kubiak, directed its united efforts toward making 1970-71 a hallmark year. "October Activities Week" heralded an exciting football victory. The second annual Winter Carnival snowballed with a warm surge of enthusiasm.

Through the continuous efforts of Council, student freedom and involvement rose to the highest levels in school history. Students witnessed the transformation of mandatory study halls into lounges, quiet study rooms, and "mini-courses." This year CA became an active member of the district Student Council Association, and contributed new ideas to other Councils and their schools. The PTA was also expanded to become a Parent Teacher Student Association. A new, more flexible constitution was ratified in the final months of the council's term. By opening new doors of possibility and changing them to realities, Council surpassed all predetermined goals, while spontaneously reaching new goals. The flexibility, widened reach, and expanded involvement of the 1970-71 Student Council shall become the basic foundations for all future councils.

Welcome to CA, Lucy and Babs

OFFICERS: Top: Katie Dolan, Secretary, Pam Neff, V. President, Sally Hamlin, Treasurer, Tom Harter, President.

Exchange students and families: First row: Lucy Aguliar with Jack and Joan Geise. Second row: Joan Geise with Babs Gierend and her family, Bev Magley.

AFS Finalees: Jack Geise and Nancy Haines.

Babs and Lucy reach out.

One of the most beautiful and reassuring human experiences that I have had began when I came here and started being part of this community; being a new member of my family "The Geises"; participating in the school activities and trying to become aware of the things I did not know before. All these facts were new for me when I got here, but now that I am used to them, that they started being part of my life, I have to think of my going back to Ecuador; and I say to myself "the time has passed so fast."

I know that this year will be unforgettable for me and it is thanks to your smiles, your answers to all my, sometimes silly questions, to the welcome you gave us, your questions about my country, these are the things that make an AFSer happy and these are the reasons why we get lots of experience.

When I go back to Ecuador, I will take with me the nicest feeling that a person could keep, and the desire that some of you will remember "Lucy" and "Babs," the AFSers that came in 1970-1971. I only wish that all the students who apply for this scholarship could get it; because in that way there would be more people who will help for a better understanding in the world and I want to finish this letter saying Thank you and Welcome to Ecuador anytime you want to visit us.

Suey Aguilar.

Nobody can imagine how much this year meant to me. All the activities at CA and outside school and all the great possibilities—I wish the year would have had more than 12 months.

I hope that many more students can have this experience and that AFS here at the Academy will successfully continue with its programs, to involve everyone who is interested in helping to establish a world-wide understanding.

With this I want to thank everybody, the students, the teachers, the community and "my family," for all the friendliness and friendship towards "the exchange students," . . . for explaining many strange words such as "kids" or "guys" . . . for every friendly "Hi!" . . . for letting me participate in all activities and making me feel so at ease . . . for being patient and listening to my talking about Germany, and especially for giving me that wonderful feeling of being welcome.

I will take back to Germany a lot of new recipes, souvenirs, pictures, and many new words, but most important, the happy memories of this AFS year.

Barbara Gierend

"Please, go over!"

Germans: Alive and Living with New Activities

During the organizational year, the main objectives of Deutscher Verein were to get acquainted with German culture, and to cultivate an enjoyment of German music and poetry. Into this scheme were woven presentations of German skits and a visit to the "Deutsches Haus" for an evening of traditional German food and dancing.

Via slides and films, club members became acquainted with the German landscape, customs, and holidays in a spirit of fun and friendship.

Presenting: Cafe de Paris

Cozy cafe tables, delectable scents of warm French pastries, and skirts flying high to the rhythm of can-can music offer fond memories of the traditional Cafe de Paris for French Club initiates, it captured, in one evening, the jovial atmosphere of the French. Through films, speakers, and other varied activities, Cercle Français offered its members a picture of the colorful country of France.

Learning Through Involvement at Model UN

Discussions, resolutions, committee meetings, and a General Assembly were all part of an exciting weekend for 37 CA students at the Auburn Model Assembly. Demonstrating the operation of the UN, students from area high schools represented member nations and adopted the cultural habits of their countries throughout the weekend. The delegates researched material prior to the trip, and upon their arrival, spent time in committee meetings discussing and voting upon resolutions. A banquet, dance, and an international show highlighted the interesting and valuable weekend for the participating students.

Los Borrachos Initiate Freshmen

With the initiation of 30 chicos y chicas, Los Borrachos got off to a festive start. With the direction of the advisors, Mr. M. Bridgman and Mr. J. Midiri, the Spanish Club revised the rules in order to include Spanish I students for membership. Highlights of the year included a successful dance sponsored in cooperation with the French and German Clubs, and a banquet featuring a variety of Spanish foods.

Hobart Seminar Program Reinstates

The Hobart Seminar Program, reinstated this year, allowed 57 juniors and seniors to attend weekly seminars with other area high school students. The participants had the opportunity to take a class under college conditions. Each student chose from the wide variety of courses that were offered.

Libas Liberates Librarians

Libas, boasting a membership of twenty, continued its task of keeping the library in order. Shelving books and magazines, working at the main desk, and assisting students in their research, the club members liberated the librarians from some of the more menial tasks of running a library. The year was not totally work though, for the members enjoyed two teas and a luncheon.

CA welcomed its newest debutante, CASA, to its roster of activities. Composed of art students, the club donated publicity to stores, clubs, and other Academy groups. Projects, including decorating Canandaigua's Santa's House, a fund-raising dance, a Winter Carnival booth, and the purchase of an art film for the library made the club's first year a success.

Art Club

Audio visual aids, an important part of our school program, were made available whenever they were needed through the efforts of the AV Club. Under the direction of Mr. Chapman, the ten members of the club donated their free time to assist teachers in setting up the audio-visual equipment, which this year included a large number of new projectors, screens, and recorders.

Health Careers Celebrates 11th Year

Despite major breakthroughs in modern medicine, there will always be a need for nurses. In CA's Health Careers Club, now having completed its eleventh year, students learn through instruction and practical experience the art of caring for the sick. The club sponsored various projects including fire safety and anti-smoking campaigns, a collection for cancer research, and a mother's aide baby-sitting program. Twelve girls completed training requirements to become Candy Stripers at the local hospital.

The Future Teachers Association, noted for its helpfulness, combines fun and learning in striving to achieve their goal. Under the guidance of Mrs. Helen Everett, the club sponsored a successful "Save the Children" clothing drive. Active participation in CA's Winter Carnival and visits to area colleges highlighted the year.

FBLA Means Business

An exciting career in the business world is the goal FBLA members set for themselves. As a result of the annual initiation, membership in the club was boosted to twenty. A successful candy sale, sponsoring a dance with the Health Careers Club, and the area typing contest were highlighted activities of the year.

Student Store Supplies Experience

The Student Store, run exclusively by seniors, offered practical experience in behind-the-counter techniques. Under the advisorship of Mr. Bruce Bridgman, free periods were spent training underclassmen and keeping the store open for student use. Supplying books, newspapers, and other miscellaneous items, the store's operation is an important contribution to CA.

Pastiche Publishes Two Issues

The Creative Writing Club gathers original poetry, prose, art work, and photography and puts it all together in Pastiche Canandaigua Academy's literary magazine. Judging of the material, preparation for printing of the magazine is all done by the members of the Pastiche staff. This year the club issued two magazines and offered prizes for the best written work, art work, and cover design for the second issue.

Chess Club Makes The Moves

There is at CA one club which not only held meetings every 9th period, but boasted an attendance of about twenty people at every gathering. It is most appealing to males, but has drawn several females this year. These young people desired to master the game for which the club is named, and possibly compete in one of the four tournaments held each year. Trophies are awarded as prizes by the advisor coach, Mr. Stanton. The game? Chess.

Incorporating everyday sounds into modern music, students in the Music Theory classes created a unique sound of the seventies. Experimenting with MOOG synthesizers and electronic music, the course introduced improvisation and composing. A field trip to Ithaca College by the students included a demonstration of music in the high school theory program.

Cannon: A Booming Success

Interested in the most current school news, student activities, and intimate information? Read all about it in the Cannon, CA's bi-monthly newspaper. Under the direction of editor Ginny Benjamin and faculty advisor Mr. Nacca, the Cannon staff covered major school issues and supplied the students with a combination of facts and humor. Edited entirely by the students themselves, the Cannon often kept staff members working long after school hours. These efforts were justified by the product: a newspaper which has become an important element of school life.

Stage

And once upon a time there were confined within the stone walls of a small, conservative, eastern high school twenty bold and rather exuberant young people who yearned to demonstrate their skill and enthusiasm on stage. So they grouped together to form the Academy Players, an organization which was led by professed drama enthusiast—one Mr. Timothy Hollingsworth. Their first presentation was a smashing success called "Under Milkwood," by Dylan Thomas, followed by a children's favorite entitled "Little Women," by Louisa May Alcott. The industrious group scheduled still another production, for the spring. The students lived happily ever after, having displayed an abundance of talent and supplied hours of outstanding entertainment.

GAA Sleeps in

GAA means involvement. This enthusiastic group of girls, under the advisorship of Mrs. Betty LaBarge, have helped to turn the apathetic feeling which has been customarily toward the Girls Phys. Ed. Program into one of avid participation. They sponsored a sleep-in open to all girls and conducted a modern dance recital. Awards were presented at the end of the year to girls that earned a sufficient number of points for participation throughout the year.

Wind Ensemble Tunes Into Gap

"In like a lion, out like a lamb" was the welcome CA Wind Ensemble members had for their new director, Mr. Jack Lamb. An exciting year began with the annual Pops Concert described by participants as a wild, wild happening complete with strobe lights and flowers for the audience.

A concert-a-month program, initiated this year through the efforts of the director and the 5-member advisory committee featured a December Picnic, a January Ice (Cream) Social, and the most exciting endeavor, "Project Mangione" in which jazz artist, Gap Mangione and his group, worked with the ensemble.

There's a saying, "no strings attached" but the CA strings are alive and well and were eager to establish themselves as an active and impressive school organization again this year. The talented strings joined forces with wind ensemble representatives in playing all modes of music from contemporary to rock. The orchestra's distinctive flair and style made it one of the school's most promising organizations.

A great master once said that love makes the world go round. Another said that love is music. One lesser master by the name of Ken Myers, came to CA this year, put one and one together, and discovered that music makes the world go round. Under his direction, the Varsity Chorus has retained its reputation for high caliber performances at both the Pops, Christmas, and Spring Concerts. Participation in "Project Mangione" gave the chorus the opportunity to work with Gap Mangione.

CANANDAIGUA ACADEMY FRESHMAN ENSEMBLE

Freshman Ensemble

The 1970-1971 Junior Varsity Chorus left its mark on CA. For the first time since it was originated, The JV Chorus performed at the annual Pops Concert. The 110 member chorus, composed of freshmen, spent the year preparing for the concert schedule and developing their musical talent in preparation for membership in the Varsity or Concert Choruses.

CANANDAIGUA ACADEMY JV CHORUS

CA's all-girl ensemble, the Concert Chorus, provided the music department with a unique element. Practicing twice weekly, the girls developed their musical skills both individually and as a group. Under the direction of Mr. Ken Myers, they performed popular hits "Close to You" and "Everybody's Talkin'" at one of their programs.

Folks Get Together To Make Music

Combine the voices of twelve singers, the cords of two guitarists and a bass player, and the rhythm of a percussionist and the product is CA's Folk Group. Practicing two times weekly, the ensemble prepared for their part in the Pops Concert. Joining the Madrigals, they also performed at a luncheon for senior citizens.

Madrigals Sponsor Festival

"Sing it with a spirit that will start the world along—" was the goal CA's Madrigal group had in mind throughout their busy year. Besides participating in the annual Christmas concert, they performed at a luncheon for Senior citizens and took part in a Sunday service at the Pittsford United Church. In May, several Madrigal groups from the area converged on CA for a Madrigal Festival.

'71 Ushers in The Second Annual Winter Carnival

Boog Stevenson and company are on their way down.

Pat Dolan amidst the soiree and the snow.

Tim's all bundled up with someplace to go.

The laughter and noise have turned to silence . .

They're off!

Shivering, but socializing, seniors.

Don't forget this summer!
Have fun
Don't forget this summer!
crummy bus rides
we had every morning
Good luck in everything you do.
Mary Sue
(Preston)

Willing juniors work on.

... and all have gone home.

Mr. Wilcox braves the elements.

Debbie leads the tug-of-war.

In the snow and cold of January, the energetic and hardy C.A. students took to the outdoors. The Student Council sponsored its second annual Winter Carnival. Toboggan runs, snowball throws, "dog sled" races, and a tug-of-war all proved there was no dead of winter at C.A. The blanketed grounds of the school donned snow sculptures. Snowbound students replenished their energies with hot chocolate and doughnuts. The gym took on a gala carnival atmosphere with booths and games. A complete and exhausting day, but students thought otherwise. Once the first toboggan rumbled down Witherspoon's hill, the action was continuous until the most widely attended dance in years drew to a perfect close.

To the Editors:

After proofreading the last pages to be mailed, representing many hours of your efforts, I was determined to show both my appreciation and this observation:

✓ I hear so often, "School? What a bummer!" From now on I will point with pride to the book you are reading. Here is a record of what is possible, of the excellence of achieving and the magnificence of becoming.

You have accepted the challenge of recording a school year and brought it all off well. I thank you, and I hope that when you look inside years from now, you will remember.

Your advisor,

Paul Littlell
